INFORMATION DISCLOSURE STATEMENT

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In accordance with 37 C.F.R. §§ 1.97 and 1.98, the items identified and submitted with this Information Disclosure Statement (IDS) are being brought to the attention of the Office. The items are listed on the attached PTO/SB/08A. The Examiner is requested to make these documents of record.

The items identified in this IDS may or may not be "material" pursuant to 37 CFR § 1.56. The submission by the Applicants is not to be construed as an admission that any such patent, publication or other information referred to therein is material or considered to be material (CFR § 1.97(h)), or even qualifies as "prior art" or "analogous art" under 35 USC § 102 with respect to this invention unless specifically designated by Applicants as such.

This IDS is believed to be timely in that it is being submitted under 37 CFR § 1.97(b), that is before the mailing of the first Office Action on the merits. Thus, no fee is required. However, should the undersigned be in error in this regard, Applicants respectfully request that the Office consider this IDS as filed under 37 CFR § 1.97(c), if applicable, and charge the fee due under 37 CFR § 1.17(p) to the deposit account referenced below.

Copies of all of the items listed on the attached form PTO/SB/08A are enclosed. A concise explanation of their relevance is not given.

Citation of the above referenced documents shall not be construed as:

- 1) an admission that the documents are necessarily prior art with respect to the instant invention.
- 2) a representation that a search has been made, other than as described above, and
- 3) an admission that the information cited herein is, or is considered to be material to patentability as defined in § 1.56(b)

It is respectfully requested that the Examiner indicate consideration of the cited references by returning a copy of the attached form PTO/SB/08A with initials or other appropriate marks. In the unlikely event that the transmittal letter is separated from this document and the U.S. Patent Office determines that an extension and/or other relief is required, Applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other necessary fees due in connection with the filing of this document to Deposit Account No. 50-1108, referencing 980049.406US. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Respectfully submitted,

Dated: January 25, 2007
